

The STORY OF THE GREEKS

The “Story” continues... in the Community Hall of the Holy Transfiguration Church.

Part 3 (the last of the three part series) will be presented on Thursday, September 30th, 2010 from 7PM to 8:30PM.

This session will cover from the fall of Constantinople to the present day. The series will close with some reflections, which will attempt to adapt lessons from historical facts to the practical reality of today.

There is no culture without an appreciation of its history, especially one as rich as the Greek culture.

Whether of Greek roots or not, please join us for the conclusion of the amazing “Story of the Greeks”, with Jim Peters presenting.
