

Exploring the Richness of the Christian Faith

Back to the Sources: Moving Forward by Drawing from the Past

Presented by The School of Christian Spiritual Formation

You're invited to Explore the Richness of the Christian Faith and become reacquainted with its core tenets, especially with Jesus Christ, as Lord and teacher, and with the apostles and saints who laid down their lives for Him.

This second annual conference, *Back to the Sources: Moving Forward by Drawing from the Past*, examines the rejection of the Christian faith in favor of secularism and rationalism. The conference also explores the lessons we can learn from the early Christian church in discerning how to respond to the challenges of how to live a fully Christian life in a secular culture.

Come hear three prominent theologians and spiritual directors, representing the Protestant, Catholic, and Orthodox Christian perspectives. They bring diverse experience and much spiritual depth. Please join us!
